

19. Bangladesh: Micha and Katrin Ulmer write, "The teen group at the Khulna Children's Village is currently running a bit slow. Both the staff and the participants are feeling deflated. 20. Zambia: Margit Schwemmle writes, "The search committee for the new leadership role of Evangelical University (EU) has a proposal for how things could possibly proceed from January onwards. 21. Canada: From Reach Community Church, "Please pray for our small groups as there were multiple changes in leadership and time slots."

Thought of the Week:

"To know that nothing happens in God's world apart from God's will may frighten the godless, but it stabilizes the saints."

-J. I. Packer

1. Canada: From **Reach Community Church**, "Today is a cleaning day, where some Ukrainians will be joining us. Please pray this will be a community building event."

2. Canada: From **Tobias and Sarah Müller**, "Today Tobias is speaking at Westminster Classical Academy about missions. Please pray that the kids will be motivated to pray for missionaries and they will gain insight into what God is doing worldwide and what mission work can look like."

3. France: **Peter and Sigrun Rapp** report, "Peter has been retired since October 1. It is a new beginning for us. Sigrun is still working as a church assistant. She also accompanies the two impact workers and helps with the worship team and with women's and youth work. The elders' council has taken over the leadership of the church. A retired French missionary helps with home visits and preaching. Peter continues to volunteer in hospital chaplaincy and prison ministry. Please continue to pray for us in this new season."

4. Canada: The retreat centre will be filled with homeschool kids again today for another Mission Tuesday. We are working through the Parables of Jesus with them. May the Lord save these kids and grow in them with missional hearts. Today is also a Liebenzell board meeting. Please pray for the Lord's guidance and wisdom for any decisions to be made.

5. Canada: The Bangladeshi church in Scarborough grieves the loss of Mr. Muhuri. He was a longtime support worker of the Liebenzell team in Bangladesh. Please pray for God's comfort for the family and the local church.

6. Canada: Reach Community Church is going through the Alpha course together to revisit the basics of our faith and introduce the material to the whole church. Please pray that this is a study that refreshes the church family.

7. Papua New Guinea: From **Jesse and Stephanie Poriz**, "We want to thank everyone who lifted us and those affected by the earthquake in prayer. Most services have been restored and we are all starting to repair the damages." Please continue to pray as they continue to put things back to normal.

Thought of the Week :

"We can stop pleading with God to show us the future, and start living and obeying like we are confident that He holds the future."

- Kevin DeYoung

8. Canada: The Gommels, praise God for the Isa Fellowship Thanksgiving, birthday celebrations and the joy and laughter that fills the house. We are enjoying weekly devotions through the gospel of Mark. Please pray that the urgency present in this gospel will encourage us and that those listening will embrace Christ immediately.

9. Canada: From **Memo Bojan**, "I desire to continue to expand my contacts outside of the Mississauga church plant. Please pray that I will meet people outside of the church who are open to the gospel."

10. Germany: Together with **Christian Danneberg and Benjamin Stute**, we are grateful that **Levi Friesen** is now supporting the Lubu Beatz team (music ministry among young adults with migration backgrounds). Levi will continue the spiritual guidance of the artists in this ministry. Please pray for him as he settles into this role.

11. Canada: Today LMC is hosted by the ladies group of Martin Luther Church in Kitchener for a missions focus event (in English). All ladies are invited. The program will be led by Sam Strauss and will be followed with "Kaffee und Kuchen". Please pray for a fruitful time of fellowship.

12. Central Asia: Johannes and Karoline write, "We realized how important it is to spend time with young adults from the church. Many are struggling with their faith or are simply tired from all the work they do. We want them to experience how God speaks to them and to draw guidance and strength from the Bible. When Johannes stood in for the pastor one Sunday, instead of preaching, he led a Bible study in small groups in the style of Bible Discovery. Please also pray for the registration of our church premises. There are some problems. Please pray for the goodwill of the authorities."

13. Canada: Keith and Ruth Ann Elliot write, "Please pray for the work that we are doing on the pastoral care materials. November will be a key month for us as we work our way through the course used for training pastors in Latin America."

Thought of the Week:

"Prayer is the preview of God's action."

-Mark Dever

15. Ecuador: The elimination of subsidies for gasoline and diesel has made the transport of people and goods more expensive. This hits those who are already living in poverty particularly hard: mainly the indigenous population in the province of Imbabura, where LM Ecuador works. There are now strong, sometimes violent protests. Please pray for protection and peace.

16. Uganda: Martin and Tabea Auch share, "The network of Bible readers is growing. Currently, entire organizations are joining and making the Bible marking system part of their program. This includes the International Fellowship of Evangelical Students (IFES) in Uganda. Please pray for a movement among Christians to read the Bible themselves, so that they and their churches will be anchored in the truth and become strong sending churches."

17. Canada: From **Tobias and Sarah Müller**, "Please pray for Sarah as she is serving at Adam House (A Transition Home) on Monday evenings. This is a great opportunity to speak about God, life in Canada and personal life. Please pray for wisdom and guidance as Sarah is having many conversations. May these conversations have a positive impact in the lives of the residents."

18. Canada: Today is a Mission Tuesday at the retreat centre. It is a special day with a guest coming to teach on creation. Please pray for our guest speaker and that the kids would be in awe of the LORD's creation. Please also pray that this can be a time of encouragement for the moms to connect.
